

“As a professional service provider not often do I purchase equipment that enables me to have such a competitive edge over the competition. I purchased a new sectional snow plow last winter and all I can say is *WOW!* Your plow far out performs the traditional box plows. In just one pass we are able to remove all the snow from the pavement, this has greatly reduced salt usage, with that savings the cost of the plow was paid for in one season. Thank you again, and we are looking forward to purchasing many more of your plows for this upcoming winter.”

Brian Boldt, President ACS PowerWash
